# *Employee of the Month*

## June 2022

**Jessica Perez**

Quote from a fellow staff member:

“Jessica is dedicated to the organization and her team. She is supportive to staff and patients and very kind hearted. She takes care of our patients as she would her family. She is an extreme asset!”

Jessica lived in Georgia on a State Park until she was sixteen years old and then her family moved to Washington, KS. She moved to Herington in 2002. Jessica spends pretty much all of her free time with her husband and three daughters.

Jessica says, “I love working at Herington Hospital because everyone is so welcoming and makes you feel like family. I appreciate the hospital’s willingness to help you reach your career goals.”

Congratulations Jessica and thank you for all that you do for our patients and community!
