## September 2022

**Linda Herbel**

Quote from a fellow staff member:

“Linda is a dedicated supervisor and she maintains a good working relationship with employees and staff. Number of meals served per day has more than doubled, which speaks highly of the quality and atmosphere in her department and among her staff.”

Linda lived in California most of her life and moved to Kansas in 1992 to be closer to her husband Mike’s family. She has three great grand babies in Texas and they try to visit them as often as they can. Linda and her husband love to travel and go to casinos every chance they get.

Linda says, “ I love working at Herington Hospital, because I enjoy everyone that works here, they all feel like they are part of the family. Herington Hospital Administration, Dr’s and Staff are so caring and helpful that I can’t praise them enough.”

Congratulations Linda and thank you for all that you do for our staff and patients!!
